23RD ANNUAL
SILVER AUCTIONS ARIZONA
March 30 & 31

This 1958 Chevrolet Yeoman station wagon was donated to Dan Dowdy in July 2012 by Bill and Jean Lambert of Conifer, CO to be used as a project to help Veterans. In June of 2014 Dan and other Veterans, along with his company Street Rods by Dowdy, ventured into building this project. It was their intention to ultimately donate it to a Veterans Group hoping to build a Homeless Veterans facility. After over 5000 man hours and lots of help from sponsors, the wagon is now complete. The group made the decision to donate the car to Jerry Ambrose Veterans Council "Operation 6" which will assist them in building their facility in Kingman, AZ.

Bill Lambert was an industrial arts teacher and was thrilled to see the vehicle he had owned since 1960 being rebuilt and donated to such a great cause. Thank you for the help from all of those involved with this project. If you would like to assist with "Operation 6" please contact:
