American Legion Riders, Post 36
5845 East 22nd Street
Tucson, Arizona 85711

Dear Business Owner,

We are the American Legion Riders of Post 36, Tucson, AZ, a veteran rider group. The ALR supports many veteran and community programs, along with giving thousands of hours of volunteer time to these organizations. We also raise funds to support these programs, as well as other worthwhile charities familiar to Americans. Some of the main charitable organizations that ALR 36 supports are Honor Flight Southern Arizona, Fisher House Arizona, Missing in America Project (MIAP), and the Military Liaison Office (MLO) located at the Tucson International Airport. All the funds raised will stay in the Southern Arizona area.

ALR 36 is raising money with our Annual ALR Post 36 Golf Tournament being held at Fred Enke Golf Course on Saturday, May 3rd, 2020. We are asking for donations and/or hole sponsorships. A donation, big or small, helps us to make this possible. A hole sponsorship is \$50.00 and includes a sign with your company logo on it placed at a tee box. This is an excellent way of showing your support toward our great organization and the charities we raise funds for. Deadline for hole sponsors is April 17th, 2020.

We are also looking for donations for tournament prizes and raffle prizes. During the tournament banquet we will be selling raffle tickets to assist us in raising funds for our charities.

Without donations, volunteerism, and the support of local businesses none of this would be possible. As a 501c3 nonprofit organization, your donation may be tax deductible. For your convenience, our Federal Tax ID# is 86-0212057.

We appreciate any assistance that you can give us in our endeavor.

Thank you,
Dave (Grumpy) Hardy
President, ALR 36
